+48 515 461 432

Office address:
Szyperska 3/5 St.
61-754 Poznań, Poland

Professional experience:

May 2013 – now

SZAJBA

Founder & Head of Graphic Design

I'm leading a creative studio, which main area of services is graphic design focused on branding, webdesign, UX/UI and motion design. We also provide Project Management and Quality Assurance related to the projects in which we're involved.

Feb 2016 – now

MTA Digital Sp. z o.o.

Graphic Design Consultant & Wordpress Developer

I'm responsible for general quality assurance in graphic design tasks, creative direction and mapping out processes and workflow methodology in web development & ads design projects.

Feb 2016 – now

eCodile

Graphic Design Consultant

I had opportunity to work with eCodile during few larger projects for foreign clients. I had to translate high-level requirements into interaction flows and artifacts, design new UI and work close with development team on transforming them into clean, intuitive, and functional interfaces. As a graphic design consultant I also helped in refreshment of brand identity and creation of basic day to day communication materials.

Oct 2014 – Feb 2016

CODE247

Graphic Design Consultant

As the scale of this software house activity grew bigger, they decided to freshen up the website and create some additional advertising material, which could facilitate the day-to-day communication. After working together on this task, our cooperation got closer and I got opportunity to help as PM / PO and graphic designer in several other projects as well.

Oct 2011 – May 2013

Redexperts Sp. z o.o.

Senior Graphic Designer

I was responsible for graphic design, I independently delivered designs of websites, internet apps, visual identifications of brands, native mobile apps and SmartTV apps, packaging and 3D product visualizations, animations for www, various printed goods.

Jan 2010 – Oct 2011

Redexperts Sp. z o.o.

Junior Graphic Designer

As assistant I was doing similar things as I later did in Redexperts, however the processes of obtaining knowledge, designing and the results of work were controlled, evaluated, verified and corrected in detail by the head of the design team.

Jan 2010 – Oct 2011

Cojestmiasto.info

Copywriter & Photographer

I was a volunteer in a non-profit organization which aimed at activation of local youth at an independent online news portal. We were organizing festivals and club parties, we also held events promoting active lifestyle of young people and creation of city culture.
